Re: Military Religious Freedom Foundation
Mikey Weinstein
Brietbart.com: May 8, 2019

Dear Sir/Madam:

Our office represents the Military Religious Freedom Foundation and Mikey Weinstein. They have asked that we write concerning your online article posted May 8 referencing the Foundation as an "Anti-Christian Group."

The Foundation, as we believe you well know, is not "Anti-Christian." In fact, the vast majority of the Foundation's clients are Christian; although the Foundation represents people of all faiths, or no faith. Both Mr. Weinstein and the Foundation are very concerned about what amounts to defamatory descriptions as well as the fact that they encourage horrible antisemitic comments as well as threats of violence and bodily harm posted by your readers. Defamation and incitement to violence are both serious legal issues.

We ask that you correct the online "Anti-Christian Group" description and refrain from any further misstatements in the future. Please have someone in your legal department contact me to discuss the matter.

Very truly yours,

Randal Mathis
