Re: Military Religious Freedom Foundation
Mikey Weinstein
FoxNews.com: May 7, 2019: Caleb Parke

Dear Sir/Madam:

Your records will reflect that our office has written to you a number of times in the past concerning inaccurate publications concerning Mikey Weinstein and the Military Religious Freedom Foundation.

Earlier this week Fox again referred to the Foundation as an “atheist group” in reference to a report concerning the VA Hospital.

As you well know, the Foundation is not an atheist group. Rather, they represent people of all faiths, or no faith. Both Mr. Weinstein and the Foundation are very much concerned about your continued misstatements to this effect, which at this point appear to be either intentional or maliciously negligent. Either way, they are certainly legally actionable.

Please correct these recent reports online and refrain from any further misstatements in the future.

Given that I have written about this so many times, I would appreciate someone in your legal department contacting me so that we can schedule a call to discuss it.

Very truly yours,

Randal Mathis
