**Air Force Academy Fails
Religion Test In Wake
Of Tree Of Life Massacre**

BY: Paul Rosenberg

Friday, November 9, 2018

Two days [after] the massacre at the Tree of Life Congregation synagogue, a Jewish cadet at the Air Force Academy had to listen to upperclass cadets – who outranked him – disparage the victims for their faith, saying, **"The 11 Jews murdered would now be burning in hell forever because none of them had accepted Jesus as their savior prior to being shot and killed."** This according to his parents, who are considering withdrawing him from the Academy.

“These upperclass cadets were ‘loud and proud about saying it’ as our son told us. We are all in tears here,” they said in a letter to the Military Religious Freedom Foundation. “We had heard about the Air Force Academy’s long history of religious intolerance before our son applied and accepted his appointment. We had been assured that those days were over. As a result of what has just happened to our son we were obviously wrong.” [...]

Jews & Christians

AN ANCIENT FAITH FAMILY

OP-ED BY: John Compere

Anti-Semitic racists (American Nazi Party, Ku Klux Klan, Neo-Nazis, Patriot Prayer, Proud Boys, Skinheads, Unite the Right, Westboro Baptist Church, White Aryan Resistance, et al) are white supremacy scoundrels and alternative-right rogues who spread hypocritical hatred against Jewish-Americans and others making a mockery of moral teaching, common decency and sacred scripture (Charlottesville VA, Newnan GA, Portland OR and Washington DC rallies).

It is a sad commentary on humanity when ignorant bigots (many claiming to be Christians) hurl hate at fellow Americans because they were born of Jewish mothers (like Jesus). It is the reason moral Americans reject the insidious intolerance of religious racism. Such willful ignorance is a conscious choice and difficult to dissuade when encouraged by poisonous political pandering and propaganda. [...]

Mr Weinstein

As a member of the Keller Army Community Hospital professional team located on the US Military Academy campus in West Point, New York I was dismayed to receive from the Hospital Commander's Executive Assistant religious materials announcing so called "Gospel Events".

It seems inappropriate to provide this material to our entire religiously diverse hospital community.

I understand that the MRFF has contacted the hospital leadership to file a formal complaint. Thank you so much. Your swift action is also deeply appreciated. The MRFF does outstanding work on behalf of your clients of which I am proud to be one
