PAUL ROSENBERG ON CROOKS AND LIARS REVIEWS BONNIE WEINSTEIN'S NEW BOOK

"New Book Turns Hate-Mail Lemons To Lemonade"

By: Paul Rosenberg

Monday, August 19, 2019

"MRFF's staff, volunteers and supporters provide an inspiring example for all us in how to survive Trump's America. They've been doing it since 2005, in the frontline foxholes, as it were, showing grace—and good humor—under pressure. Which makes this a particularly inspiring book about religion in a very dark time."

"Many don't get the separation of
church and state in the military"

By: Alberto Saavedra

Thursday, August 15, 2019

"Bonnie's book will give you an insight into the mind of the evangelicals in the armed forces through hate mail the MRFF gets constantly. The MRFF is in the front lines of this cultural war. The book is also a lesson on the constitutional law and it gives you an idea of what can be done to stop these haters' insanity."

By: Ted Furlow

"The book is a hard read for all of the hatred, bad theology, and rancor. MRFF is a sharp needle sticking those who would use the color of authority to evangelize, trample the Constitution, and advance a myopic theocratic approach to the Great Commission in Matthew."

Letters from Angry Christians to MRFF

By: Ed Brayton

Monday, August 12, 2019

"As my longtime readers know, my friend Mikey Weinstein of the Military Religious Freedom Foundation often forwards me emails they get from angry Christians who misunderstand the goal of the organization and consider them their enemy.
His wife Bonnie has just published her second book full of some of those emails, many of which are viciously anti-Semitic. The book is called When Christians Break Bad: Letters from the Insane, Inane, and Profane and its official release is Tuesday. I strongly suggest buying it."

DISPATCHES FROM THE CULTURE WARS ON PATHEOS COVERS MRFF

MRFF Gets Email

By: Ed Brayton

Friday, August 16, 2019

(Excerpts from Patheos/Emphasis Added by MRFF)
Bonnie Weinstein, wife of Military Religious Freedom Foundation Mikey Weinstein, has just published a book full of the hate mail that group receives on a daily basis, much of it viciously anti-Semitic. And right on cue, in response to that very book, comes yet another email that go into the third edition of the series later.

From: horce ryder
Subject: your wives book of lies
Date: August 15, 2019 at 4:13:09 PM MDT
To: Information Weinstein

Hello Mr. Weinstein.
You are a very sick man for hating military members who love Jesus Christ.
And now your whore wife decides to further spread the hate against those of us who walk with the Savior in our military. Her little book of so called hate is really just to make more \$\$ for your little MFRF jew enterprise.

[...]
It's all there. The stereotypes about Jewish people's nose and hair. The blood libel that the Jews killed Christ.

[...]
The praying for someone else to burn in hell. So much for that whole love in Christ thing, eh?
