MRFF Founder and President Mikey Weinstein's Statement on Mike Pence's Tweet

Thursday, August 29, 2019

"Mike Pence is one of the most repulsive and repellent fundamentalist Christian supremacists and bullies on the scene today. As a full fledged member of 'The Family' religious cabal (see the recent Netflix documentary and author/Dartmouth professor Jeff Sharlet's books on this fundamentalist Christian extremist organization), it is hardly surprising that he is lending his ugly bigotry and pervasive prejudice in support of keeping that Christian bible bolted down on that POW/MIA table at the Manchester, New Hampshire VA Medical Center."

"Thoughts"

Mikey, you are such a disappointment to the human race. No matter how much you try, The Air Force will always be a predominately Christian Force. You however will burn in hell someday.

Subject: Religious Freedom

Mikey: Your Organization would deny religious freedom to all Christians in this country. Removing bibles from VA hospitals is outrageous. You are the bigot and hater and supremacist - your despicable actions will not defeat the Christian values upon which this country was founded. Religious Freedom is for everyone. Mike Pence is an honorable man - intelligent people know this. Why are you so hateful? I pray for you - in this, your darkest hour.
