MRFF MILESTONE 65,000 CLIENTS 2005 - 2019

MRFF Founder and President Mikey Weinstein's Statement on MRFF Clients Milestone

Monday, August 5, 2019

*A harrowing sign of the times: MRFF now represents 65,000 clients. Since the 2016 U.S. Presidential Election, MRFF's client base has risen at a **faster monthly rate** than in our civil rights foundation's previous eleven years.*

The Caligula in Chief's Administration's systemic and festering culture of homophobia, Islamophobia, racism, misogyny, and religious bigotry has resulted in this alarming increase of MRFF's clients.

MRFF's clients face obscene, intolerant oppression and persecution in our U.S. Military for their religious beliefs or non-beliefs primarily from Fundamentalist Evangelical Christian extremists.

MRFF's Fight for the Constitutionally Guaranteed Separation of Church and State in our U.S. Military is more vital now than ever.

Your generous donations allow the Military Religious Freedom Foundation to continue our fight in the courts and in the media.

MRFF now represents 65,000 and counting active duty U.S. marines, sailors, soldiers, airmen, cadets, midshipmen, national guard, reservists and veterans, including matters involving High School JROTC around the nation, about 95% of whom self-identify as practicing Christians.

Our MRFF clients have faced unconstitutional religious church/state violations and noxious abuse from their military superiors who almost exclusively brandish one particular version of Christianity, fundamentalist Christianity, as a weapon to intimidate, menace, harass, subdue, and terrify their otherwise helpless armed forces subordinates.

MRFF's client base consists of Christian, Jewish, Buddhist, Hindu, Sikh, Native American Spiritualist, Humanist, Pagan, Atheist, slightly over 18% of all Muslim Americans in the U.S. military, other minority faith and non-faith military members, and over 1,000 LGBTQ military members.
