PRAISES MIKEY WEINSTEIN AS A  
"BOAT ROCKER"**

Jewish War Veterans National Commander Harvey Weiner praised Mikey Weinstein as a "boat rocker" for MRFF's arduous efforts and victory in having two swastika headstones replaced. VA Secretary Robert Wilkie to caved into MRFF's demands and agreed to have two swastika headstones replaced at Fort Sam Houston National Cemetery, Texas and Fort Douglas, Utah.

At the 28 June 2020 Jewish War Veterans (JWV), Department of New Jersey Annual Convention, JWV National Commander Harvey Weiner mentioned MRFF founder Mikey Weinstein favorably, as a "boat rocker" and JWV member, who initiated the project to remove and replace the Nazi swastika headstones from the VA Cemeteries at Ft. Sam Houston in Texas and Ft. Douglas in Utah. He noted that your work commenced with your opposition to proselytizing by chaplains at the Air Force Academy.

I attended this virtual meeting in my service as the National Judge Advocate of the Jewish War Veterans of the United States.

You keep biting the hands that feed you  
The hands of hard working white people  
At the Air Force Academy and all over the military  
And yes they are often followers of The Only Lord and Savior

Well mickey The Only Lord and Savior notices your hand biting attacks  
Against Him and His followers

You really think you stand a chance jew?  
Christ is coming for Holy Justice against you and your liberal leftist MFFR  
flock (see John 8:44)

I just saw were your organization is involved with trying to get a Marine fired from his law enforcement position over his SS Scout Sniper Tattoo. You claim to be about freedom Weinstein how ever you and your organization are nothing more than facist Hippocrates. Who are you to demean this man's honor and freedom? Obviously you forget about your oath to the constitution. He has every right to have that tattoo.  
You are a disgrace.

I read these military complaints & Court cases & just don't get it most of the time. I'm wide open to hear about anyone's faith. I know what I believe... not gonna change that. Nor does it offend me to listen to others share. Just trying to understand why others are so upset.

Still love you, Brother!
