MRFF's Statement on

USAFA Grad Lt. Col. (Ret) Larry Brock's

Christian Crowdfunded Legal Defense Fund By: Mikey Weinstein Thursday, February 18, 2021

"The Military Religious Freedom Foundation was hardly surprised to confirm via our MRFF Research Staff that

Academy graduate Lt. Col. Larry Brock (USAF-Ret.), were attempting to raise money for his legal defense in the face of a Federal Criminal Indictment related to the January 6th, '21 Capitol insurrection riots on the "#1 Free Christian Crowdfunding Site" ("GiveSendGo"). One would reasonably surmise that Larry Brock was likely aware of this sectarian, Christian-based fund-raising outreach on his behalf. Further, one might just as reasonably conclude that he approves of it and endorses what was written on that site; particularly this statement, "Larry is a Christ

individuals, likely family and/or close friends of USAF

Let me please emphasize the words "the most important and central part of who he is!" Indeed, as MRFF has incontrovertibly substantiated for over 17 years (see my January 12, 2021 "Open Letter" to the USAF Academy), the Department of Defense, as a whole, and the USAF Academy, specifically, are vile

breeding grounds for an extremely dangerous form of weaponized Christian

follower and his faith is the most important and central part of who he is."

Nationalism known as "Dominion Christianity" or "Fundamentalist Christianity." As ISIS, the Taliban, and Al Qaeda are to mainstream Islam, this twisted and tortured version of Dominion Christianity is to mainstream Christianity. Brock's prior actions of repulsive misogyny, particularly targeting his exwife, and blatant bigotry as to the race and religion of others are all too often

Dominion/Fundamentalist Christianity. Other such hatred spewed by this

glaring telltale hallmarks of this very same "Mothership" of

type of hate-perverted Christianity includes virulent antisemitism,

homophobia, transphobia, Islamophobia, as well as an overwhelming desire to subordinate the mandates of the United States Constitution to the harsh and self-serving theocratic tenets of this brutal form of Christianity. Followers of this form of repugnant Christian extremism do not want democracy. They want only theocracy and their OWN fundamentalist Christian version of it."

For Mikey Weinstein, founder of the Military Religious Freedom

Foundation, of particular note is the assertion of Brock's devotion to

Weinstein has long accused the Academy and the military in general of fostering among its ranks fundamentalist Christian evangelicalism, or
