"The Department of Defense has accomplished **Step 1** pursuant to MRFF's demands in remedying this atrocious act of officially sanctioned and validated anti-Semitism by U.S. Navy chaplain/Lieutenant Aristotle Rivera. Now steps 2 & 3 must be immediately accomplished!...

Step 2 requires the expeditious & aggressive investigation and commensurate public punishment of Rivera and all of those who either indirectly or directly are responsible for allowing this hideous act of religious racism and fundamentalist Christian supremacy and domination to occur in the first place!

Lastly, **Step 3** requires the Department of Defense to immediately issue a fervent and heartfelt apology to all members of the U.S. armed forces inclusive of civilian Active Duty, Reserve & National Guard, and veterans, as well as to the entirety of the American people for allowing this atrocious act of bigotry and prejudice to rear its ugly head at all!"

"Murdering Jew Mikey Weinstein"

It is written.

The New Testament is the Word of Jesus Christ God Incarnate.

It is written many times in the New Testament that the Jews murdered Jesus Christ. (John 19:15)

Therefore Jews murdered God Incarnate.

Therefore all Jews are guilty of Christ's murder.

Mikey Weinstein is such a lying murdering Jew. (John 8:44)

Therefore Mikey Weinstein is guilty of murdering Jesus Christ.

Mikey Weinstein is the devil-leader of the MFFR.

Therefore all who associate with 'Mikey The Murderer of Jesus' are also guilty of Christ's murder.

Therefore Mikey and all who work at the MFFR will be sent to the blazing fire pits of hell when they meet Jesus for judgement after they die. (Matthew 13:50)

Therefore Mikey and his MFFR should thank the Navy Chaplain who wrote that all the Jews killed Jesus and that these Jews should say they are sorry.

Its the least Jews like Jesus-Killer Mikey Weinstein can do for murdering our Lord and Savior.

But whether they say sorry or not all of these Jews like Mikey and his fellow evildoers will still burn forever in hell. (John 3:36)

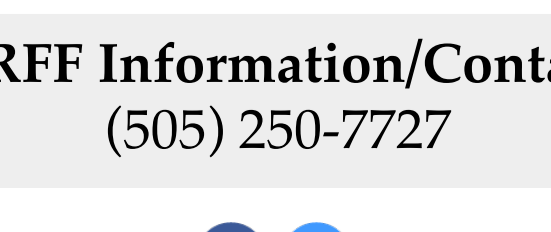

Therefore Mikey and all Jews and all of Mikey's friends family and followers are little more than fuel for the flames of hell.

They will all burn forever in agony. It is written. Hallelujah! (Revelation 21:8)

"Thank You"

I would like to personally thank the MRFF for the few contacts I have had over the years, mainly concerned queries about church-state matters that had intruded into the military professionalism we should all enjoy without the invidious distractions of religious sectarianism. In each of my encounters with the MRFF, they have listened intently to my concerns, researched the legal issues at hand, and objectively advocated my position in rectifying obvious breaches of military decorum. Far from being an atheist, I was raised in the Christian faith and attended six years of Christian schools — stalwart preparation for any citizen to recognize and vocalize that something is wrong even when performed by well intentioned evangelicals.
